

Ideas for taking Christmas outside of the building:

We have a blank sheet this year to celebrate God's gift of Jesus; we won't be using the church building, but we don't want to concentrate on what we can't do: we do have opportunities to bless our neighbourhood and our town with the Reason for the Season.

Here are a few ideas to try; maybe you can put your own into practice?:

singing carols/playing them from CD etc;

inviting neighbours to sing on doorstep;

inviting neighbours to come and collect (socially distanced, of course) wrapped pack of gingerbread biscuits/mulled drink;

blessing neighbours with card giving website address;

bake the main nativity characters as a gift for neighbours, with brief outline of story; (see Faith In Kids on the Advent Activities page)

volunteering to distribute meals with Food Bank
